MEMORANDUM FOR: Associate Deputy Director for Operations
FROM: Director of Central Intelligence
SUBJECT: Coordination of US Foreign Intelligence
and Counterintelligence Liaison

1. Apropos our hearing this morning, Stilwell indicated he has some problem with this. On reading it, it seemed to me that it really gets into too much detail coordinating which could turn out to be a great nuisance.

2. Will you have someone try to work out something that is mutually agreeable to the Pentagon. If you have any trouble or when you get an agreed solution, let me have a look.

C
William J. Casey
